# What will it be like

# When we see Jesus!

Good morning everyone,

It's another great day on the Mid North Coast and we are on our way to spring. Julie and I hope you are having a great day!

Today we would like to tell our fathers, "Happy Father's Day" and we hope that you and your families are able to get together for a special day.

Today in our video I want to share some thoughts with you about our eternal home. Nothing in this world will be even close to what God has for us to enjoy forever! However, the highlight for me will be seeing Jesus face to face. As you will see in our video I don't believe we can fully comprehend what seeing Jesus will be like. We can only imagine how we will respond!

A special thanks to First Baptist Church Dallas Texas, Mercy Me and Zach Williams for our music.

On a special note to our church family, there are a lot of people in our church that are going through some physical struggles at the moment so make sure to find out who they are and keep them before the Lord in prayer.

May the grace of Jesus Christ our eternal Saviour and Lord be upon you and your family

He is risen!
