

# Radical!

According to the news our world is in a mess!

How will we respond as followers of Jesus?

Hide away from the mess or get mad and fight?

Which of these attitudes will honour God? Neither!

The Christians at Rome lived in far worse circumstances than any of us will ever know.

How did they respond?

They did what Paul instructed them to do!

Romans 12:1 Total and complete surrender to God for his purpose.

Romans 12:2 Do not think like our culture thinks, do not use the tools our culture uses.

Romans 12:3 Use the gifts that God gave us and work together to change the world.

Romans 12:9 Don't be a pretender.

Romans 12:10 Let your love for others be REAL.

Romans 12:14-20, Matthew 5:46-47

Love the lost like you love your Christian Brother or Sister.

Love your enemies, pray for those who abuse you, do good to those who hate you.

***Romans 12:21 (NLT)***

***Don't let evil conquer you, but conquer evil by doing good.***
