

## Sunday 19<sup>th</sup> of April, 2020

Good morning church,

David said, "This is the day that the Lord has made, let us rejoice and be glad in it!"

Have we offered any praise to God this morning? Before we go any further let me encourage you to grab a cuppa and set back and begin to list the things you are grateful for and then tell God how much you appreciate Him.

Our first song will be a look into the future to think about what it will be like when we first see Jesus. Mercy Me sings, "I Can only Imagine"

Now let move to an old hymn done in a new way, "Amazing Grace, My Sins are Gone" by Chris Tomlin

God is good and His grace is still amazing! Let's never forget that.

Let's all remember our church family in prayer at this time. Some of our people have lost loved one and are not able to travel to support their families. I know this has to be most difficult and our thoughts and prayers are with you.

Remember each other that God would continue to give grace and encouragement to each of us. We know that He will and we can thank Him for that.

Now, lets prepare for the message "God in the Wilderness" as we listen to a song by Mercy Me entitled "Word of God Speak."

In the message today I will take you out to the bush. In this message the colour fluctuates some because of the natural setting, so, lets have a look at how God has and will work in our wilderness experience.

The final song on the video is "Rescue Story," by Zach Williams

***May God bless and keep you till we meet again!***
