

Good morning everyone! I hope you and your family have had a wonderful week!

Today I'm going to look at two situations in the Old Testament where God was doing some amazing things, but we are also going to look at what God said about those amazing things.

Many times, God allows a situation to get in a rough condition before he moves and the world is for sure in one of those places. So, what's God going to do in our day? Well, I don't know, but I know for sure there are some things that we as Christ followers should do regardless of what's going on in the world.

So go with me to Habakkuk 1 and lets get started.

Have a Great Sunday!
