

What now???

Good morning church family,

Easter Sunday was a great day for us as we celebrated the resurrection of Jesus with the largest group of people since the COVID 19 shutdown. We were also able to sing! Thank the Good Lord, normal is returning. But, sometimes after a big day, life can return to normal, what some would call daily. Keep in mind there is much that we can celebrate after Easter.

Today I will talk about those things that we can celebrate!

He has risen,

Pastor Tony
