

The Holy Spirit and His Personality

Good morning church family,

It's another cold day on the mid-north coast, I guess you can say we are in a real winter for the first time in a long time.

Today, we will complete our study about the third person of the Trinity, the Holy Spirit. Jesus said the Holy Spirit is the Comforter, He is the one who will give you the power to win the world and he alone will convict the world of sin. The only way that someone can come to Jesus Christ is through the works of the Holy Spirit. So he, the Holy Spirit, is the most essential influence in every Christian's life and that's why it's good to understand him and not be afraid of him. As for me, I would rather surrender to the leading and prompting of the Holy Spirit than to follow my own desires and you will see in this video why I say that.

So, join with me as we talk about the Holy Spirit and his personality.

He has risen,

Pastor Tony
