

Am I Going to Make it??

Good morning church family, God has given us a beautiful Sunday!

Today I will address the question, “Am I going to make it?” All of us get to that point at some time in our life, I have been there myself. So, what will we do when life gets too heavy that we wonder what on earth are we going to do? Well, the disciples found themselves in that situation and they got scared! Yep, these men who walked and talked with Jesus experienced times when they focused on their problems more than they focused on Jesus. Jesus, had a clear word of challenge for them.

Let's get into our talk and may God encourage you when the time comes that your life gets hard and heavy!

He has risen,

Pastor Tony
