

Good morning church family,

Today is the first day of the rest of your life, what are you going to do with it?

In response to that question there is one thing for sure that I intend to do and that is to trust God more and more!

Today I want to go to David's old Jewish song book, which we call the Psalms, to see if we can discover the depths of David's confidence in God. Believe me David had a huge confidence in his Creator and his trust is an amazing thing to see!

I believe we can learn from David's example.

Today Julie and I hope you have a wonderful day as you trust God!

Because He Has Risen,

Pastor Tony
