

From the Manger to the Cross!

Good morning, everyone and from Julie and I, Merry Christmas to you and your family!

Today we are going to take part in communion. As I thought about this, I wondered how we could honour the death of Jesus on the day we celebrate his birth. So today we will take a very quick journey through the life of Jesus with a very strong emphasis on one particular thing. You will have to view the video to discover that focus!

I would also encourage you to watch the video to the very end as I have included an interesting version of Mary Did You Know. This version is presented in English, Hebrew and Arabic which I found to be a blessing as I watched it.

Again, Merry Christmas, Julie and I hope you have a great, relaxing day.

Merry Christmas,

Pastor Tony
