

## **Why I Trust the Bible, And you Can Too!**

Good morning, everyone, Julie, and I hope you are having a great weekend!

Today, I will finish up our study about the bible. After our time together today, I hope that you will have a greater love for and more confidence in the bible that you have.

Honestly, if the bible is God's self-revelation of himself then it is a very special book and we as Christians should spend time in it learning about God. But do we?

Listen, I know the struggle, and I know that if there are going to be any distractions in the day it will be around the time that you set aside for reading the bible and then spending a few minutes in prayer.

So now, for just a few minutes let's look at the reasons that I trust the bible and I believe that you can too.

He is Risen,

Pastor Tony
