

Light verses Darkness

Good morning church family,

One of the most magnificent truths found in the bible is that God loves us. Let that truth sink in for a little while. However, something that is a little more difficult to get hold of is how we should respond to Him because of His love? It's easy to say that we should just love Him, which is true! But what does that look like?

The Apostle John gives us some insight into what loving God looks like and what it does not look like. To discover what he wrote we will look at the remainder of 1 John Chapter 1.

Thanks for joining with us through video.

Because Jesus loves us,

Pastor Tony
