## **Grace and Truth**

What is grace and truth? Where will we find it?

Today, we will look at examples from the life of Jesus that allows us to see the reality of grace and truth.

Now, let me engage your thinking before we get started. Are you a grace person or a truth person? Because of your personality and life experiences you will lean toward one or the other. So, which way do you lean?

Let's look at how Jesus lived out grace and truth.

Because of Jesus,
