

“A Man Sent From God”

Good morning, everyone! Julie and I hope you have stayed cool during our early autumn heat wave!

Today, we are going to take a look at John the Baptist who I think is a very interesting person. Although this is a bit of a character sketch of a man that God used, I also believe it to be an opportunity for you and me to learn some things for our own lives.

Thanks for joining with us via video.

Take Care,

Pastor Tony
