

I Want to See Jesus!

Good morning, everyone!

Today we will start our journey through the Gospel of John and as we go through this gospel, I have one desire and that is to see Jesus in a fresh and new way.

As I mention in the talk, John is one of the few people that can give us such a close personal look at Jesus.

I hope you will follow this series and enjoy it as much as I will.

At the end of this video, I am going to introduce to you a praise song that has been a huge blessing to me ever since I heard it. So, to set the groundwork for this song, think of Revelation 4 and 5 where all that are in heaven are gathered around the throne worshipping Jesus. We are all looking forward to the time when we join them in praise, but we really don't have to wait till then we can worship and praise Jesus now!

Because of Jesus,

Pastor Tony
