

Jesus Cleans Out the Temple!

Good morning, everyone!

Julie and I hope that everyone's doing well today. For those that have had COVID we have been praying for a very speedy recovery for you and those around you. As you know we are not the only ones who have had an outbreak, this week has been a big week for COVID in the MidNorth Coast. It would do us all well to take a few extra precautions during this time.

Today we will look at the time that Jesus cleaned out the Jewish temple. As I mention in the video this is the first of two times that Jesus does this, so I think he is making a pretty clean point! But what we can learn from this and how we can apply this situation to ourselves. Let's find out!

Thanks for joining with us via video this week, Lord willing we will be back together next week.

May God bless you!
