

Challenged By Jesus!

Good morning church family!

Have you ever wondered what happens to those who have been deeply challenged by Jesus? Do they set back and relax, or do they dive into their newly discovered belief and get busy? Well, I think we can find in the bible what people do by looking at the Samaritan woman who was challenged by Jesus.

Turn in your bibles to John 4 and let's get started.

Because of Jesus,

Pastor Tony
