

It was Necessary!

It was NECESSARY for him to go through Samaria!

Good morning, everyone!

Today we are going to look at John 4. During our study, I want you to look deeply at what Jesus did and consider the words he spoke. But also, I want you to see his purpose. Just why was it so important for him to go through a place the Jews hated?

What can we learn from what we see and is there a message in this story that speaks to our own lives?

May God open our eyes to see what He wants us to see today!

Because of Jesus,

Pastor Tony

It was NECESSARY for him....
