

Jesus Defends Himself

Good morning church family,

I hope you are having a great weekend!

Today, I will look at John 5 again and, in this part, Jesus explains or defends himself with the pharisees. You may notice that he gets very pointed and challenges them to the deepest part of their soul. However, from what we see, they only got angrier. That's what happens when we are confronted by Jesus, and we reject what he is saying.

I encourage you to stay with me as we go through this because you will not be expecting my conclusion. The challenge that Jesus gave to the pharisees is an opportunity for us.

Because of Jesus,

Pastor Tony
