

# Jesus Challenges His Followers

Good morning church family!

Today, we will today we will look at John 6. In this chapter Jesus does a masterful job of exposing the heart of the thrill seekers and then he says something that clears them out.

The bible says of itself that it exposes the heart and today's look at John 6 does just that.

I hope you have read ahead so you will be familiar with the text as we go through it.

Because of Jesus!
