

# The Last Major Miracle

Good morning, everyone,

Today I will look at the last major miracle that Jesus performed. Except for resurrection and putting a cut off ear back on a guard, but anyway we will look at the raising of Lazarus from the dead. I know we know this miracle very well and we've looked at it many times, but today let's slow down and look at this event with fresh new eyes. We may be surprised at what we discover.

Thanks for joining with us today.

Have a blessed day!
