

The Sacred Place! John 17 B

Today we are going to look at one something that only recently has meant a lot to me and that is the sacred place. It's true that we all know that Jesus lives on the inside of every true believer in Jesus, but what does that mean? Once you think about that it can get exciting but also very humbling. God chooses to live in me! How did I deserve that? The fact is I don't, but God in his grace and through the blood of Jesus made it possible!

Thanks for joining with us today through our video.

Because of Jesus,

Pastor Tony.
