

The Lord's Prayer!

Good morning, everyone!

Today we are going to look at the Lord's Prayer. As I said in the video this is not the traditional view of the Lord's Prayer, the "...our Father who are in heaven...", but this is the Lord's actual prayer in John 17.

In this chapter, Jesus prays for himself, he then prays for his disciples and then he prays for us. I won't develop the last part until next week. But I do want you to read John 17, verses 20-26 for next week and ask God to show you just what is in these verses. For me, one phrase keeps jumping out at me. Read it for yourself!

Thanks for joining with us by video and make sure you are here next week.

Because of Jesus,

Pastor Tony
