

# 1 Thessalonians Chapter 2

Good morning, everyone!

Today we are continuing our walk through the book of 1 Thessalonians with a study in chapter 2. I originally thought we could cover 2 and 3 but there was just too much in chapter 2 that I believe is important.

In this chapter Paul highlights his method of ministry and in his methods, we can find some very important items that we can use in our own lives.

Before we start, it would probably be a good idea to get your bible ready. The whole point of this study is to learn your bible, which we believe to be the Word of God to us. So, be ready to turn some pages!

Thanks for watching the video.

Because of Jesus,

Pastor Tony
