

How Then Shall We Live?

Good morning, everyone and welcome to the first Sunday of 2024!

Today I will ask the question, “Because of all that Jesus did for us on the cross, how then shall we live?”

We all know that without the death and resurrection of Jesus then our Christian faith would be useless. But we know that Jesus did die and he did rise from the dead and that makes everything worthwhile!

So, with all this in mind how then shall we live in 2024? Today I will take the writings of the Apostle Paul and make a few suggestions. You may want to turn in your bibles to Romans 12: 1-2 as well as Philippians 4.

Thanks for joining with us!

Have a Great Sunday!
