

The Upper Taker!

1 Thessalonians 4

Today we are going to look at something that could be in our not-too-distant future. In this chapter Paul describes when the Lord returns to “receive” us unto himself.

One thing to keep in mind, this whole discussion is about encouragement! I think most of us who talk about this event have used it scare people into coming to Jesus, but Paul’s intent was to encourage the young believers at Thessalonica. It’s amazing what we can learn when we study the bible!

I hope you are encouraged!

Looking to Jesus,
