

He Is Our Peace!

Ephesians 2: 11-22

Good morning, everyone,

Today we will look at the remaining part of Ephesians 2. I think you will find it interesting that there are some very modern issues that come to the surface.

Let me also apologize for some of the technical problems that are happening. My camera is getting a bit old and sometimes it loses focus. I think it's getting close to the time to switch to the iPhone.

Thanks for joining with us as we see just how Jesus is our Peace!

Because of Jesus,

Pastor Tony
