

## Can You Imagine?

Good morning, everyone,

I know it's been a bit of a sad week with the loss Cheryl and it's also the anniversary of Brian Eldredge's homegoing as well as John Lane. With the memory of loved ones who have gone on it can put you in a bit of an introspective way of thinking.

But, for today let's change that a bit and look at where these saved loved ones are, can we even imagine what they are experiencing? According to Paul it's not possible to fully know what God has designed for them and us if we should go on to be with Jesus.

Today, we are going to look into the bible and see just a glimpse of what our loved ones are experiencing. Remember, as a follower of Jesus this is also a glimpse of our future.

Thanks for joining with us today by video.

Because of Jesus,

Pastor Tony
